**GENERAL FUNCTION**

Under the supervision of the Director of Facility Services, project coordinator and assigned senior technician, the Facility Painter performs a variety of skilled work in preparing surfaces, mixing paint and painting walls, parking lots, curbs, playground areas and other surfaces as needed using a variety of paints, stains, varnishes, etc. May also remove graffiti from surfaces.

The incumbent is responsible to follow all policies and guidelines as detailed by District policy.

**ESSENTIAL FUNCTIONS**

- Clean surfaces using sandblaster, sandpaper, brushes, chemicals, steamers, laser grinding, power washer, etc.
- Prepare surfaces by patching holes, cracks and joints with putty or other fillers. Tape and texture walls as needed.
- Mix paint to match colors, styles, textures and/or patterns when painting surfaces
- Paint walls or other surfaces using paint, varnish, stain, epoxy coating, sealants, etc.
- Paint parking lots, playgrounds, curbs or other external surfaces.
- May remove graffiti as needed.
- May be required to assist other general trade functions (e.g. athletic equipment, glazing, flooring, masonry, roofing, etc.)
- Provides support service to other facility areas, as needed.
- Locate and order parts and materials used to complete work assignments.
- Assess equipment safety and make repairs. Follow proper operating procedures with all equipment to avoid injury.
- Completes assignments in a cost efficient and timely manner.
- Drive and operate various facility vehicles and equipment. Inspect vehicles as required.
- Will be called to respond to routine and emergency duties as required.
- On call duties as assigned. Shift work may be required.
- This position requires punctual and regular daily attendance.

**NON-ESSENTIAL FUNCTIONS**

- Other duties as assigned.
- Attend all scheduled training and departmental meetings.

- This description should not be construed to contain every function/responsibility that may be required to be performed by an incumbent assigned to this position.
- Incumbent is required to perform other related functions as assigned. Other related functions can be performed for no more than 20% of an employee's normal workweek (i.e. eight (8) hours per week, or thirty-two (32) hours per month).

## **QUALIFICATION REQUIREMENTS**

- Incumbent must be fingerprinted and clear a criminal background check.
- Will be subject to pre-hire and random drug testing.

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the education, knowledge and experience requirements; the machine, tools and equipment used; and any licenses or certifications required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions of this position.

### **Minimum Job Qualifications:**

- Requires High school diploma, GED or equivalent as reviewed by the Department of Human Resources.
- Requires four years of work experience with demonstrated competence in professional painting. Formal apprenticeship or trade-specific educational experience may be included.
- Completion of a formal trade-specific program is preferred.
- Lead-Based Paint Renovator Certification preferred.
- Knowledge of graffiti chemicals and proper use of power wash machine preferred.
- Must demonstrate competence in reading, writing, math and basic computer skills.
- Requires skills and working knowledge to work independently at the technician level with ability to assess, prioritize and resolve problems.
- Requires excellent interpersonal skills. Interacts with school staff, custodians and administrative personnel in completing tasks. Students are frequently close by as work is being performed.
- Must be competent in use, care and maintenance of needed tools and equipment.
- Must demonstrate knowledge of S.D.S. safety procedures.
- Must be self-motivated and proactive in completing tasks with minimal direction.
- Requires a valid Utah Driver's license.

**NOTE:** The Administration reserves the right to require specific training for this position. However, depending upon the type and quality of prior work experience and availability of formal training programs, some exchanges can be made between training and experience.

### **Machines, Tools & Equipment Used:**

- Ladders, scaffolding, lifts, tools and equipment used to diagnose, repair, construct, and perform painting related work.

### **Physical Requirements – Not limited to the following:**

- Frequent sustained gripping, pinching and prolonged standing.
- Occasional squatting, stooping, sustained bending, kneeling (up to six hours intermittently), use of hand tools, fine motor dexterity, working in awkward positions, pushing/pulling, climbing and balancing on ladders and scaffolding.
- Repetitive shoulder motion in overhead positions (brushing/rolling)
- Occasional lifting from floor to waist up to 100 pounds and single arm carry up to 75 pounds.
- May use chemicals that are potentially hazardous.
- Activities may involve outdoor work in all weather conditions.

- Occasional (0-33%)    Frequent (34-66%)    Constant (66-100%)
- Physical ability to perform the essential functions listed above with or without reasonable accommodation.
- Possess the physical, mental and emotional stability to work under stressful condition, including but not limited to: deadlines, contract requirements, inspection requirements and interaction with critical personnel.

**NOTE:** *This list of essential and marginal functions and of physical requirements is not exhaustive and may be supplemented in accordance with the requirements of the job.*
