

FIND YOUR PURPOSE®

National Center for Teacher Preparation Scholarship

Grand Canyon University is proud to announce the launch of its National Center for Teacher Preparation, an initiative created to address the critical teacher shortage and support the growth of educational professionals within accredited schools like yours.

Generous Scholarships for Educators: Central to this initiative is our pledge to make tuition affordable and education accessible with generous scholarships designed for any school/district employee looking to obtain their initial teacher licensure.

 - Master of Education in Secondary Education (any emphasis)
 - Master of Education in Special Education (any emphasis)

Why Partner With GCU:

1. **Online Education Tailored to Educators:** Our one-class-at-a-time online format¹ respects the time constraints of educators, with the potential to earn field experience hours in your district.²
2. **Enduring Support:** We stand beside our graduates, including licensure exam prep support and post-graduation resources.

3. **Recognition of Excellence:** Over 85 GCU alumni have been recognized in the field of education, including as Superintendent, Administrator or Teacher of the Year award recipients as of May 2023.

Join GCU in shaping the future of education at your school: Let's discuss how GCU can help meet the needs of your staff.

Contact Jeromy Hansen for more information on these scholarships!

If seeking licensure or certification, applicants to the program are responsible for contacting their state department of education for licensure requirements and program approval. In addition, fingerprint and background clearance is required.

¹ Excluding observational and practice-based experiences and student teaching.

² Candidates currently in paid education positions may be eligible to complete practicum/field experience hours, and/or student teaching in their paid role if the school district setting aligns with the setting required in the candidate's program of study/course, the candidate has an appropriately certified mentor available at the accredited school site and if the candidate is able to fulfill all expectations, including the completion of all course assignments.
