Exception: Late hires April 15
- If you have a teacher performing poorly, the principal should be evaluating them.

## Additional Assistance

Dear Administrator,

Incomplete full evaluations for the 2022-2023 school year have been rolled over into the 2023-2024 academic year. These evaluations will need to be completed before the educator may be moved to the next year on their evaluation cycle.

Not completed during the 2022-23 year. The educator is unable to move to next year of provisional status until completed.

Hire Date	JPAS Status	JPAS Rating	Last Eval Date	Evaluator	Completed Eval 1	Completed Eval 2
8/10/22	01	2		Kermit	11/11/22	
8/23/10	00	2	3/6/19	Kermit		

Not completed during the 2022-23 year. The educator is unable to move to interim until the evaluation is complete.

Being mindful of the fact that this may increase the volume of required evaluations for the 2023-2024 school year. Please reach out to Rebecca Lee (801-567-8369) if you would like additional assistance completing the observations.
