GENERAL FUNCTION

Under the supervision of the Director of Transportation and Coordinator, the **Transportation Router I/II** provides and produces routing and schedules for transportation of students. Provides maintenance of routing data, verifies route accuracy and maximum operating efficiency. Gathers and creates route reports, demographic materials, needs assessments and State and department reports. Works closely with school officials to verify student routing needs and works with the public and parents on route and scheduling concerns. The Router II will drive a daily bus route during some or all of the school year.

The incumbent is responsible to follow all policies and guidelines as detailed by District policy.

ESSENTIAL FUNCTIONS

- Assist with the computerized routing and scheduling for transporting students to/from school and other activities as needed. Assist with analyzing and optimizing bus stops, runs and routes for student transportation as prescribed by the Utah State Standards for School Bus Operations.
- With direction from the senior router, determine student eligibility for transportation based on State and District policies, regulations, procedures and standards. Evaluate and make recommendations on special requests (i.e., stop locations, number of students being transported, space available requests, etc.). Assist in maintaining records of new streets and plats within the District.
- Transportation Router II will be required to drive a daily bus route during some or all of the school year as part of the assigned duties.
- Assist in the running of specific jobs and transmitting, receiving, printing, compiling, and disbursing data/reports. Review GPS and camera data and respond to parent/school inquiries.
- Assist with the monitoring of data integrity/accuracy of computer systems and assist with the correction of related data problems.
- Assess changes in zoning and student distribution to recommend route changes. As directed, investigate and evaluate transportation safety issues for route recommendations (e.g. construction areas, unsafe bus stops, special education requirements, etc.).
- Assist in completing required State reporting as directed.
- Assist in fielding questions from parents, the public and school administrators regarding complaints, concerns or about technical and procedural information for routing buses and documents issues and resolutions.
- May interact with department and District employees, school administrators and staff and others as needed.
- This position requires punctual and regular daily attendance at assigned location.
