

The Urban Institute for Teacher Education (UITE) offers summer course work to educators enrolled in Alternative Pathway to Professional Educator License (APPEL) programs. Participants do not need to be a current University of Utah student to enroll.

To register, please click on the links below. Students will receive an email confirming registration once the process is completed.

Summer 2024 APPEL classes will only be available online synchronous using Zoom and the Canvas Learning System accessible through the University's Campus Information System (CIS) to complete coursework. Log in information will be provided in a subsequent confirmation email sent directly by UITE.

Students will need to attend class virtually at scheduled times and submit required assignments. However, students can attend class from any location with an internet connection. Course materials will be provided through Canvas.

APPEL Elementary Students may enroll in multiple classes.
