

Jordan School District
ADMINISTRATIVE JOB DESCRIPTION

Job Title: Consultant Special Education (179)	Lane Placement: <u>X3</u>
Department / Location: Special Education	FLSA Classification: <u>Exempt</u>
Supervisor's Title: Special Education Director	Contract: <u>245 Days</u>
Original date: <u>04/85</u> Revised: <u>03/92</u> Revised: <u>09/16</u> Revised: <u>02/2023</u>	

GENERAL FUNCTION

The **Consultant Special Education** is responsible for developing and assisting with the implementation of special education goals, strategies, evaluations materials, other support materials and appropriate in-service programs as determined by District needs, goals and priorities.

The incumbent is responsible to follow all policies and guidelines as detailed by District policy.

ESSENTIAL FUNCTIONS

- Assist District administrators in preparing materials and reports, presenting reports, making recommendations and responding to requests from the Board of Education.
- Assist in the interpretation and dissemination of special education programs to employees and patrons.
- Assist in the presentation of District special education issues and concerns to the community and assist in responding to community concerns.
- Administer personnel policies and procedures. May be responsible to supervise and evaluate support staff and provide input into employee performance improvement.
- Assist in planning and directing in-service and staff development programs as directed by the administrator. Assist in implementing, monitoring and assessing approved programs through effective utilization of data analysis.
- Assist in the management and monitoring of District, State and Federal special education programs and projects as assigned and ensure compliance.
- Manage appropriate budget allocations to provide fiscal accountability in the department.
- May perform one or more of the following specific duties as assigned (e.g. assist in managing inventories of instruction-related materials; assist in coordinating programs and materials with the Utah State Office of Education; assist in managing the reproduction of printed materials; assist in the management of the evaluation and reporting of student progress and in the coordination, distribution and utilization of instructional media materials as assigned; assist principals and teachers with State and District assessments, data analysis and adjusting instruction to meet student needs; ensure compliance with Health Department Early Intervention guidelines and IDEA rules and regulations; provide advice on instructional and technical issues related to integrating technology into the special education curriculum including those of pedagogical nature as well as hardware, software and network requirements; ensure proper student accounting procedures are implemented, including use and retention of permanent records; etc.)
- Maintain records and required information in a secure location. Maintain confidentiality of all student information.
- Demonstrate professional ethics as outlined by the Utah Professional Practices Advisory Commission. Represent the District in a professional, ethical and positive manner.
- Follow District procurement guidelines with administrative approval.
- Assist in the development, implementation and evaluation of short and long-range plans. Implement short and long-range planning procedures, management systems and accountability procedures as assigned.
- Support and promote the District's Multi-tiered Support Professional Learning Community Model (PLC).
- Collaborate, problem solve and mediate with parents, staff and outside agencies.

- This position requires punctual and regular daily attendance at assigned location.

NON-ESSENTIAL FUNCTIONS

- Keep current professionally, to represent the District at local, State and national meetings, to contribute to the profession by writing and speaking professionally and participate in appropriate professional organizations as assigned.
- Other duties as assigned.

- This description should not be construed to contain every function/responsibility that may be required to be performed by an incumbent assigned to this position.
- Incumbent is required to perform other related functions as assigned. Other related functions can be performed for no more than 20% of an employee's normal workweek (i.e. eight (8) hours per week, or thirty-two (32) hours per month).

QUALIFICATION REQUIREMENTS

- Incumbent must be fingerprinted and clear a criminal background check.

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the education, knowledge and experience requirements; the machine, tools and equipment used; and any licenses or certifications required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions of this position.

Minimum Job Qualifications:

- Requires a Master's Degree from an accredited college or university.
- Requires a valid Professional Educator License for the State of Utah with a "License Area of Concentration" of "Administration".
- A minimum of three (3) years of administrative experience preferred which may include a one year full-time administrative internship. Building level administration experience preferred.
- Knowledge of special education programs, rules and processes highly preferred.
- Requires strong oral and written communication skills.
- Requires effective problem solving, organizational, multi-tasking, and time management skills.
- Requires the ability to establish and maintain a positive working environment.
- Ability to provide leadership and direction in all matters relating to the educational programs and practices of the school/building, including:
 - Keeping abreast of trends and developments in curriculum and instruction.
 - Determining educational needs.
 - Supervising the implementation of instructional programs.
 - Monitoring the effectiveness of instructional programs and projects
 - Managing District, State and Federal programs and projects.
 - Developing, implementing and supervising special education instructional programs.
 - Implement the District system for properly assessing and reporting student progress.
- Ability to manage the development and implementation of appropriate programs to maintain appropriate student behavior and discipline.
- Ability to develop and implement policies, guidelines and procedures for the effective implementation of special education programs.

NOTE: The Administration reserves the right to require specific training for this position. However, depending upon the type and quality of prior work experience and availability of formal training programs, some exchanges can be made between training and experience.

Machines, Tools & Equipment Used:

- Standard office equipment, educational technology, computers and office programs, standard machines used in teacher work room.

Physical Requirements – Not limited to the following:
