GENERAL FUNCTION

Under the supervision of the Director of Transportation and Coordinator, the **Transportation Router Senior** develops, implements and produces schedules for transportation routing and scheduling and monitors schedules for accuracy, efficiency and completeness. Verifies route conditions by conducting field inspections. Prepares hazardous route information for presentation to administration. Provides day to day work direction of transportation router(s).

The incumbent is responsible to follow all policies and guidelines as detailed by District policy.

ESSENTIAL FUNCTIONS

- Coordinate the computerized routing and scheduling for transporting students to/from school and other activities as needed. Analyze and optimize bus stops, runs and routes for student transportation as prescribed by the Utah State Standards for School Bus Operations.
- Determine student eligibility for transportation based on State and District policies, regulations, procedures and standards. Evaluate and make decisions on special requests (i.e., stop locations, number of students being transported, space available requests, etc.).
- Conduct field surveys and mileage checks to compute time efficiency of routes and ensure economical allocation of resources. Optimize stop, run and route information in the transportation routing system. Review driver requests for time changes. Verify maps and driver route reports. Review GPS and camera data and respond to parent/school inquiries.
- Assess changes in zoning and student distribution to recommend route changes; analyze and evaluate transportation safety issues (e.g. construction areas, unsafe bus stops, Office of Civil Rights (OCR) mandates, special education requirements, etc.), as it relates to bus route changes. Tracks special needs nurses assigned to special needs buses.
- Will be required to drive a daily bus route during some or all of the school year as part of the assigned duties.
- Provide day to day work direction to router(s) and provide performance feedback to director. Train department staff and other District employees on the routing software. May provide training for special education recertification.
- Evaluate and maintain documentation on all bus types for capacity and equipment available.
- Assist in completing required State reporting as directed.
- Respond to parent and public complaints and concerns related to student transportation, routes and scheduling.
- Interact with department and District employees, school administrators and staff and others as needed. May interact with parents, city, county and other employees.
- This position requires punctual and regular daily attendance at assigned location.

NON-ESSENTIAL FUNCTIONS

- Required to attend all scheduled training and departmental meetings.
- Other duties as assigned.

- This description should not be construed to contain every function/responsibility that may be required to be performed by an incumbent assigned to this position.
- Incumbent is required to perform other related functions as assigned. Other related functions can be performed for no more than 20% of an employee's normal workweek (i.e. eight (8) hours per week, or thirty-two (32) hours per month).
